At the beep with your first Pistol shoot (4) rounds on the large Whiskey Bottle then shoot (1) round on the Whiskey Glass for a two second bonus. A miss is not a miss. Re-stage Pistol on Tray. Repeat with second Pistol. Re-stage Pistol on Tray. Any hits on the large Bottle's Black circle and inside the Whiskey Glass be a five second bonus. Any hits inside the Hand will be a miss and your Pard will be in a world of hurt.
